To figure shipping, find the first 3 digits of your zip code below. The number to the right is your shipping zone. Next, find the intersecting zone and weight under the UPS Ground Service Table. Any fraction of a pound over the weight shown takes the next higher rate. This total is your shipping cost. Enter this total on the customer order form (Step 4 on previous page). **NOTE: Rates may change due to increase in fuel surcharge and/or rural surcharge.**
