

**Material Safety Data Sheet****Product: Trécé's Polybutene Based Adhesive**

MSDS Date: 7/01/05
Product Name: Trécé's Polybutene Based Adhesive
Manufacturer: Trécé, Incorporated

I. Product and Company Description

Company: Trécé Incorporated, P.O. Box 129, Adair, OK 74330
Emergency Phone Number: (918) 785-3061
For Product Information: (918)78503061
Product Name: Trécé's Polybutene Based Adhesive
Chemistry: Polybutene
CAS NO: 9003-29-6

II. Hazards Identification

HMIS Hazard Classifications: Health = 0 Flammability = 1 Reactivity = 0
**Label Precautionary Statements/
U.S. Hazard Labeling:** No significant health hazards exist at ambient temperatures. Redness and irritation may occur on contaminated skin and eye contact may be slightly irritating, but product does not cause long-term adverse health effects. For hot product, cool immediately and treat as a burn.

III. First-Aid Measures

Eye Contact: Flush with large amounts of water until irritation subsides. If irritation continues, seek medical attention.
Skin Contact: Immediately wash skin with waterless hand cleaner to remove, and then wash with soap and water.

IV. Fire Fighting Measures

Fire Hazard Data:
Flash Point: 365°F 185°C
Autoignition Temperature: Not Determined
Extinguishing Media: Foam, CO₂, dry chemical, water - apply to burning area.
Special Fire Fighting Procedures: Material will flow when hot. Contain material to reduce spread. Firefighters should wear self-contained breathing apparatus.
Unusual Fire and Explosion Hazards: Respiratory and eye protection is required.

V. Accidental Release Measures

Cleanup and Disposal of Spill: Spills can be contained and removed with absorbent material such as sand and washed with hydrocarbon solvent (mineral spirits), or detergent. Remove sources of ignition. Do not contaminate water or sewer systems.
Waste Disposal: Incinerate or dispose of in a landfill unless otherwise prohibited by applicable ordinances.

VI. Handling and Storage

Handling and Storage: Keep away from children, domestic animals, and pets.

**Material Safety Data Sheet****Product: Trécé's Polybutene Based Adhesive****VII. Exposure Controls / Personal Protection**

Eye / Face Protection: None required; however, use of eye protection is good practice
Skin Protection: None required; however, use of protective gloves/clothing is good practice.

VIII. Physical and Chemical Properties

Physical Appearance: Colorless gel
Odor: Slight rubber odor
Boiling Point: Not established
Specific Gravity at 25°C (water = 1): 0.895
Flash Point (CC): 365°F 185°C
Solubility in water: Negligible

IX. Toxicological Information

Contains no insecticide or toxic compounds.
Listed as Carcinogen by NTP, IARC, or OSHA: No

X. Disposal Consideration

Waste Disposal Method: Incineration or dispose of in a landfill unless otherwise prohibited by applicable ordinances.

XI. Transportation Information

DOT CLASSIFICATION: NOT REGULATED
BILL OF LADING DESCRIPTION: ADHESIVES, NOI
UN IDENTIFICATION No.: N/A
PACKING GROUP: N/A

XII. Regulatory Information**SARA Title III Hazard Category - For Reporting Under Section 311 & 312**

Immediate: No
Delayed: No
Fire: No
Reactive: No
Sudden Release of Pressure: No
